

If you would like to arrange a visit please call the number at the front of the leaflet or email us

We recognise that parents are the first and most important educators of the children who attend our setting. If you would like to assist the preschool by volunteering to help in sessions, assist in fundraising activities or by becoming a member of our committee then please do come in and have a chat and we will give you more information.

All of our staff are qualified and take part in regular training courses, for example; Paediatric First Aid, Safeguarding, Hygiene and many more. To make sure their knowledge is current and accurate.

All of our policies are available for parents to read at any time and are regularly reviewed and updated as necessary.

For non-funded children, the fee per hour is £4.50. A full day (9am-3pm) is charged at £25 and can be broken down as follows to allow flexibility:

Morning session (9:00am-12:00pm) is £13.50

Afternoon session (1pm-3pm) is £9.00

Lunch club (12:00pm-1pm) is £2.50 (we ask children to bring packed lunches please).

Additionally, breakfast club is available from 8am at a cost of £3.50 per day (or £15 per week for 5 days)

Offering a friendly and caring
environment for your child
to learn and develop through play
during the
Early Years Foundation Stage.

We organise our sessions around the Early Years Foundation Stages:

Personal, Social and Emotional Development

(Learning to share, making friends, share feelings)

Communication and Language

(Speaking, listening to and understanding each other)

Physical Development

(Running, jumping, walking, looking after ourselves)

Literacy

(Reading, writing, stories, rhymes, poems)

Maths

(Shape, space, symbols, measures, amounts)

Understanding the World

(Families, culture, the environment, technology)

Expressive Art and Design

(Imagination, art, colour, dance, music)

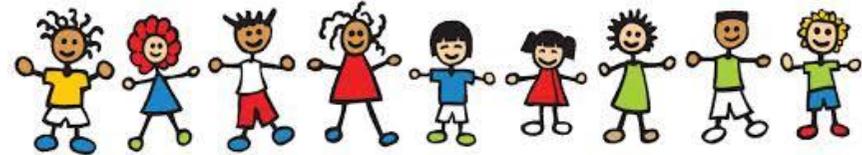

We are a small committee run Preschool in the heart of Great Doddington village.

We offer places to all 2 - 4 year old children with funded places available subject to eligibility.

We offer a safe caring environment for your child to learn and develop through play.

Preschool is the first step of your child's educational journey and we aim to provide them with all o the resources and care they need to make their experience at preschool enjoyable, happy and a stepping stone to Primary School.

Our Promises:

- ✓ Enhance the development and education of preschool children in a community based setting.
- ✓ A safe clean and spacious environment where you and your child will feel welcome.
- ✓ Help children develop positive relationships with adults and peers.
- ✓ Build good relationships with parents and to work with them for the best interests of the child.
- ✓ A trained keyworker who will encourage your child to achieve their potential.
- ✓ Nurture the whole child and encourage positive self image
